Refunds: Family membership fees and USA Swimming fees and monthly dues are non-refundable. In instances in which swimmers do not swim in a particular month, monthly dues are waived. However, if automated monthly billing is selected, notice must be given to Aces Swim Club, in writing (to address below) or via email to acestom@aol.com by the last day of the month prior to which your swimmer intends not to swim. For example, if your swimmer is not swimming in December, proper notice must be given by Nov. 30. Keep in mind that the Aces Swim Club bills its members at the beginning of each month. Automated billing transactions will occur on the 3rd of each month. Failure to notify the ACES by the last day of the month prior, in cases of automated billing, will result in monthly dues charges and are non-refundable. Members may terminate monthly billing, but notice must be given by last day of the prior, or charges for that month will occur.

If registering for meets online, all meet fees are non-refundable.

Length of Season: The Aces Swim Club operates from September-August of each season. In general, there are no monthly dues in the month of August, however, individual members may be charged in August if they are participating in practices
